Important Information Regarding Rebates:

- ▶ LED Yard Light Rebate Program provides a rebate for the installation of a new Energy Star or Design Lights Consortium (DLC) rated yard light fixture for a member-owned yard light. The program is intended to replace yard lights that commonly run from dusk to dawn and are controlled through photo eye sensors during daylight hours.
- ▶ Rebate is available for **LED fixture only** (not the bulb) that is purchased, installed and applied for in the current year. LED replacement for 50-watt and above high-pressure sodium, metal halide, or mercury vapor.
- ▶ **Each account is eligible to receive a one-time maximum lifetime rebate of \$30.** The rebate cannot exceed the cost of the fixture.
- ▶ Fill this form out completely. Incomplete forms will not be processed.
- ▶ A copy of proof of purchase/sales receipt and documentation verifying equipment information must be included. Submit the completed rebate form within 90 days of purchase. Documentation will not be returned.
- ▶ Rebates will be credited to your electric account. Rebate dollars are limited and will be paid on a first come, first served basis. Rebate program is subject to change or cancellation without notice.
